The Festival's Mission:

The Chain of Parks Art Festival is established to present an outdoor festival of high quality, original artwork, and entertainment for the enjoyment of our Tallahassee area residents and visitors while fostering the careers and financial support of local and regional artists, in addition to raising needed funds for the operation of LeMoyne Arts.

LeMoyne Arts CREATING COMMUNITY THROUGH ART

Our Mission: To promote and advance education, interest and participation in the contemporary visual arts.

Since 1963, LeMoyne Arts has been the premier private, non-profit art organization in Tallahassee and our region, supported primarily by memberships and donations. Founded to promote the work of local artists and to preserve Florida's art heritage, LeMoyne Arts continues its mission through many programs and services offered to our community.

Some of those include:

- Year-round exhibitions of contemporary artists' work
- An extensive permanent collection of the art of North Florida's most recognized artists from the past 60 years, including Karl Zerbe, Nancy Reid Gunn, Hiram Williams, George Milton, and Fred Holschuh
- The annual Mahaska Whitley Senior High School Art Competition and Exhibition providing a venue for over 200 students since 1988 to exhibit their work and to receive scholarships to pursue their interest in art
- Year-round studio art classes and art education for all ages and interests
- Summer and Holiday Camp programs for children from 6-18 years old
- Partnering with many local organizations to incorporate art into their experience; including the Visit Tallahassee, INIE, Community Foundation of North Florida, The Chamber, Leon County Schools, City of Tallahassee, COCA, and FSU's Opening Nights, The Riley House Museum.
- Bringing the Chain of Parks Art Festival to downtown Tallahassee each April
- Presenting the annual LeMoyne Holiday Show a family tradition since 1963
- Art & Soul Celebration art auction and cultural evening
- A gallery shop offering locally made art and crafts
- Internships for college students majoring in the visual arts

LeMoyne Arts is Tallahassee's icon of the visual arts, provides employment for students graduating from FSU and FAMU with degrees in Arts Administration, Art History and Management; provides economic development through professional education and career development; provides jobs to hundreds of artists as educators and exhibitors and promotes tourism of our area through gallery exhibitions and art festivals.

Your support keeps LeMoyne Arts working as a part of our Tallahassee heritage. Thank you for your support!
